MAP MAY NOT BE TO SCALE. Estrella North LLC ("Estrella North") is the developer of the Estrella Community ("Community"). Homebuilders unaffiliated with Estrella North ("Homebuilders") or their affiliates are building homes within the Community. Estrella North and its affiliates are collectively referred to as the "Released Parties". The Released Parties are not co-developing, co-building, guarantors of, or otherwise responsible for, nor shall they incur any liability as a result of, any of the obligations or representations made to buyers by any Homebuilder or other third-party. Estrella North's responsibility with respect to the Community is limited to the development of certain selected infrastructure improvements (e.g., roads, sewer, etc.) and such obligations run solely to Homebuilders and other persons buying real property directly from Estrella North. Buyers of homes and Homebuilders waive, to the fullest extent allowed under the law, any and all rights, claims, causes of action and other rights whatsoever against the Released Parties arising out of their purchase of a home or services, respectively, in the Community from Homebuilders or any other third-party. If Homebuilders seek to qualify real property located in the Community for offering and sale in those states where prior qualification is required before such interests in out-of-state real property may be offered for sale or lease to its residents, then it is the obligation of such Homebuilders, and not the Released Parties, to comply with any and all federal or state land sales laws and to distribute all required disclosures, including but not limited to, disclaimers and reports to prospective purchasers prior to or at execution of a contract of sale for real estate. Any prices, sketches, renderings, and specifications contained herein are proposed only and subject, without notice, to change or withdrawal at any time. EQUAL HOUSING OPPORTUNITY.
